Ben Kilham, Ph.D is a wildlife biologist based in Lyme, New Hampshire. His love of and devotion to black bears has enabled him to study their habits and interact with them for more than two decades. He, his wife Debra, and sister Phoebe have accepted orphaned bear cubs into their home and enabled them to successfully return to the wild. Ben has been the focus of several news articles and documentaries, including National Geographic's *A Man Among Bears* and Animal Planet's *Papa Bear*. He is also author of the books *Among the Bears: Raising Orphaned Cubs in the Wild* and *Out on a Limb: Origins of Intuition and Intelligence*.
